DG LV Workshop Feedback Summary 4th July 2019

Stay connected...

www.enwl.co.uk

- **Attendance**

- 6 stakeholders registered to attend this event, with only 5 attending on the day. This gives us an attendance rate of 83% - xxx than the previous event held in xx, which had a xxx% attendance rate.
- The one delegate that didn't attend on the day xxxx, despite our calendar invites reminders to Stakeholders

- 100% of attendees rated the event as “useful” or “very useful”

- **Topics for next time**

- Update on G99 and how things are going with applications
- More information/details on innovation projects, milestones completed and running projects

- We asked stakeholders out of the topics presented at the workshop they found to be the most useful / interesting. G98 & G99 Technical Update and the Q&A Session featured well

“good format for me this time.”

- As part of our continued commitment to keep stakeholders up to date, we asked delegates if they would like to be contacted via text message for short updates and links to reports via our website. 75% of stakeholders thought this would be a useful form of communication.

“This was a good and well prepared workshop. Thank you for hosting and the presentations”
