

## Distributed Generation High Voltage and Extra High Voltage Workshop and Surgery Appointments

Wednesday 4 March 2020, 11:00 – 15:00

Electricity North West offices, Hartington Road, Preston PR1 8AF

Electricity North West is delighted to invite you to our **free High Voltage and Extra High Voltage Generation Workshop and surgery appointments in Preston.**

The workshop will begin at 11:00 with a networking lunch served at 12:30. We are also offering face-to-face surgery sessions at 9:00, 10:00 and 15:30 if you wish to discuss a current or future project with our Connections experts.

### What's on the agenda?

We've listened to what our stakeholders are telling us about the current challenges they face, and their future priorities and we've shaped an agenda to reflect your feedback.

Some themes to be discussed on the day include:

- Incentive on Connections Engagement (ICE) – Shaping our plans
  - Engineering Recommendation G99
  - Accessing the network and network information

### How to register
